Hotplate Magnetic Stirrer

WTMS-380

WTMS-380 is the latest electric heating plate and magnetic stirrer model developed by West Tune. Equipped with brushless motor and dual work indicator light. It has the characteristics of fast heating, small weight and strong durability.

Features

- Brushless DC motor is maintenance free
- Dual scale knob adjusts speed and temperature
- Maximum stirring quantity of H2O is 5L
- Digital speed control up to 1500rpm
- Digital temperature control up to 380°C
- 140mm aluminum work plate
- Two indicator light show the state of stirring and heating

Model No.	WTMS-380
